

February 2016

Dear Athlete,

On behalf of Skate Like a Girl and the Women's Skateboarding Alliance (WSA), we would like to extend an invitation for you to compete in our 7th Annual Wheels of Fortune skateboarding competition taking place **May 8th, 2016** in Seattle, WA, USA. The top three competitors in the Advanced Division will be awarded cash prizes, with all other divisions collecting generous prize bags for finishing in top positions.

Our goal is to make your stay in Seattle, WA, a memorable one. Transportation from the Sea-Tac Airport can be provided for you upon arrival. Additionally, we can provide each competitor with a homestay for a unique cultural exchange with local skateboarders for the duration of the Wheels of Fortune weekend. Space is limited, so please contact us immediately if you will need support with transportation or accommodations.

Wheels of Fortune contest is unique among other skateboard competitions because it is one of the only international competitions that highlight women and youth. There are multiple divisions aside from Advanced, including 12&Under Co Ed, Beginner Girls, Intermediate Girls, and "Golden Girls" (30 & Up), as well as a Ramp Jam & Best Trick event, ensuring everyone can join in on the fun! On top of the competition, we also feature 2 days of organized activities prior to the event such as our "Girlz Nite Out" Welcome Party presented by MAHFIA.TV and Saturday Filming & Photo day. See attached schedule for details.

We encourage you to register as soon as you can on our website: <http://www.skatelikeagirl.com/wof-7.html>. We are a non-profit organization and ask that you consider a donation to support our overall event costs.

If you're applying for a visa from a foreign country to come to this event, please feel free to supply this letter to your consulate official and contact us with any additional questions. Contact information for multiple staff members of Skate Like a Girl and All Together Skatepark is also attached.

We look forward to hearing from you!

Sincerely,

Nancy Chang
