## WHAT ARE OUR SPECIAL UNIQUE SUPERPOWERS?

Everyone has things that make them different from each other. Even people who may look the same (like twins) have their own personalities, likes, dislikes, qualities, and ways of being part of the world. It's important for everyone to think about what makes THEM special, unique, and what their SUPERPOWERS are! We want to hear a little about what makes you stand out from the rest of the skateboarders in this world.
