

WELCOME SKATERS & ATTENDEES to WHEELS OF FORTUNE11

Thank you for traveling to Seattle and attending our event! We would like to make your experience as enjoyable as possible, so we have put together some basic information to help you!

Notes for this year:

- All skaters and attendees will be required to [register](#) for the event
- All competitors for Sunday will complete an additional sign up form (Launching soon - stay tuned!)
 - There will be a virtual info session for competition skaters on Thursday, August 25th, 6-7pm PST
- We are looking for volunteers to support with day-of tasks (Volunteer app launching soon - stay tuned!)
- All participants must show proof of vaccination or negative test from within 72 hours of arrival. You can view all of our COVID policies [here](#).

Accommodation Recommendations:

Please note that we will not be supporting skaters with finding free homestays this year due to Covid & capacity limitations.

- American Hotel Hostel – Located in the heart of the International District
 - <http://www.americanhotelseattle.com/>
 - 520 South King Street, Seattle, WA, 98104
- Hotel Hotel hostel - Located in the heart of Fremont
 - <https://hotelhotel.co/>
 - 3515 Fremont Ave N, Seattle, WA 98103
- Airbnb/VRBO – Many of our athletes and visitors have used Airbnb or VRBO to find affordable accommodations in the area
 - www.airbnb.com
- The Loyal Inn Seattle – This hotel is in the heart of downtown and is moderately priced. It is close to local bus lines that can easily get you to the event
 - Visit www.loyalinn.com for more info and booking
- Other Local Hotels – A quick Google search for hotels near the event will pull up many affordable locations. We recommend staying away from motels off of Aurora/Highway 99 as it is not the safest area.

Transportation Tips:

- **Use Light Rail to get to/from SeaTac Airport** – Skate Like a Girl will not be providing official airport transportation or shuttles. **Due to traffic in the city, we highly recommend taking the light rail to/from the airport**, which has stops downtown (West Lake station), Capitol Hill, and the University District (closest stop to All Together Skate Park), among other stops (see image). To get from SeaTac to the University of Washington stop it costs a few dollars and will take you around an hour.
- **Public transportation** - We have a good number of light rail and bus lines that travel from the Downtown area to the event neighborhood of Fremont. For easy trip planning, **download Google Maps and One Bus Away to get you around town on the bus system**. The combination of these two apps will get you anywhere in Seattle on public transit:
 - **Google Maps App** – Type in where you want to go and select the departure/arrival time. You have the option to choose public transportation. This will tell you when and where you should catch the bus/light rail.
 - **OneBusAway App** - This app allows you to look at the stop you need and tells you when your bus will be arriving as well as show you all the bus routes. It also tells you if your bus will be later than scheduled.
- **Lyft or Uber Apps** – If you are uncomfortable using public transit, we highly recommend these car service apps for getting around town affordably. Download the app to get started!
- **Lime or Jump Bike Apps** – For getting around the Fremont area, we recommend the use of the various bike & scooter share companies. These are great for short trips in lieu of a car. You can find the bikes lying around on nearly every corner. Download the app to get started!
