

Final Schedule and Activities Announced for Wheels of Fortune 8

The world's premiere female focused skateboarding contest lands in Seattle for its eighth year, providing a positive and progressive platform for women around the region.

April 18, 2017 – SEATTLE – Today, Skate Like a Girl Seattle proudly announced the final schedule of events and activities slated for the eighth annual Wheels of Fortune 8 Skateboard Showcase, the longest running, and largest female focused skateboard contest in the world. The organization is proud to share this event with the Seattle area, an event that is consistent with the organization's mission to create an inclusive community by promoting confidence, leadership, and social justice through the sport of skateboarding. WOF 8 lands in All Together Skatepark in Fremont May 5th-May 7th with registration live today [here](#). All are welcome to watch this fun and free event.

WOF is a weekend long celebration of women, skateboarding and Seattle culture, culminating in a contest Sunday afternoon that features competitors from all over the world, with categories from ages 12 and under to 30 plus. It's also featured some of the world's best professional female skateboard competitors including current world champion Lacey Baker, and has become a must-attend event on the calendar. While the contest is a big focus, the weekend also includes a Friday night welcome party with a female skater art show, food, drinks and prizes.

With a full weekend of activities, participants, supporters and spectators can find many ways to get involved, and encourage girls and women of all ages. At a time when many in the Puget Sound Region are looking for ways to be civically active, make their voice heard, and support groups that have been historically marginalized or disadvantaged, Skate Like a Girl offers an uncommon approach to affect gender-inclusive, positive change in the lives of thousands.

The schedule of events includes:

Friday May 5th

2-6 p.m. Complimentary skateboard session at All Together Skate Park in Fremont
